

**District Reading Assessments SY18–19**  
**“Train the Trainer” PD Dates**

Share [this link](#) to sign up for Reading Sessions at TSI!

Final schedule and registration information will be shared weekly via AroundBPS and LeadBPS. Courses can also be found on [My Learning Plan](#) where **you must register to attend**. Additional sessions will be announced by Fall 2018.

The “Train the Trainer” model is designed for a small group from each school to serve as building experts for each assessment. Each training will equip the team to bring the learning back to their building through PD time, CPT meetings, and/or ILT meetings. Vendors will supply all the turn-key materials to use during these meetings. School teams should refer to the assessment [calendar](#) when planning out data meetings for CPT and ILT time. Click here to access the [NWEA MAP BPS Intro Webinar](#).

<b>NWEA MAP Fluency &amp; Growth PD Schedule (K2–5)</b> All sessions capped at 40 participants We recommend schools designate 2–3 Trainers for the year
