Purpose of this Publication

Fall 2017

Interested Educators:

The following updated list of bilingual, word-to-word dictionaries and glossaries is authorized for use by English language learners (ELLs) on all MCAS tests. New titles and new languages have been added and a small number of dictionaries have been removed that are no longer in print. Additionally, an expanded list of bilingual content area glossaries in other languages has been included. The Massachusetts Department of Elementary and Secondary Education will continue to add resources as they become available.

Students who are reported as ELLs, or who have been reported as ELLs in the past, may have access to an authorized bilingual dictionary or bilingual glossary for the MCAS tests. Please note that providing a word-to-word bilingual dictionary to ELL and former ELL students is encouraged, but not required.

Authorized bilingual dictionaries and glossaries are limited to those that provide *word-to-word* (or *word-to-words*) translations and may *not* include definitions, phrases, or sentence translations. Word-to-word dictionaries and glossaries that have been listed on previous authorized lists, but were removed in subsequent editions, may continue to be used. However, these previous editions may not include all language that students may need for the assessments.

While the Department would prefer to include word-to-word dictionaries for every language spoken in Massachusetts public schools, there are languages for which a word-to-word dictionary is either unavailable or does not meet the criteria for inclusion. Other languages may have only oral, but no written forms.

If you have a suggestion for additional entries and/or dictionaries that should be added or removed from the list, please communicate this information via email to mcas@doe.mass.edu.
