Date _____

Dear Parent/Guardian of _____

Good afternoon. Your partnership is important and integral to our success each day, each week and throughout the school year. Your child was identified by the driver of the school bus for behavior on the school bus. We attached the Bus Incident Report for review and discussion with your child and family.

As a result, your child will receive this Warning letter. In accordance with BPS Policy, if your child receives a 2nd Incident Report, s/he may be denied transportation for 3 school days.

Safety is the most important priority of our school. As a parent and partner in our community, we ask that you take this opportunity to share with your child about the importance of safety and appropriate behavior on the school bus.

As a reminder, all students must remain seated during the entire ride to school, respect and listen to the bus driver at all times, share ideas using appropriate language and to keep all hands within the bus and away from the school bus window. The safety of your child is the most important priority of our school.

We thank you again for being a member of our school community. If you have any questions, please feel free to give us a call at 635-8393.

Sincerely,

Efrain Toledano, Principal
Cc: John Holly, Director of Instruction
