

Tobin Whole Class Review Round 2

Purpose:

- To identify grade level, homeroom, and individual student strengths and needs
- To match students with community partners for enrichment or support
- To give Tobin teachers time and a common structure to brainstorm and share intervention strategies
- To identify students for Student Support Team presentations
- To ensure that all students at the Tobin receive instructional or behavioral interventions if needed

Whole Class Review Process:

- During grade team meeting, teachers will complete the Whole Class Review worksheet.
- Bring your laptop and cumulative records
- Change the “.pdf” to “.xls” to type into the document
- The Whole Class Review will occur at the beginning, middle, and the end of the school year
- Grade teams will brainstorm and teachers will implement strategies to address whole class areas of concern
