Weekly Updates

• Arrival Plan and Welcome Shout-out:

<http://www.tobink8.org/handbook/arrivalprocedures.pdf>

Thank you to all Tobin K-8 educators for successfully welcoming our students and families in grade 1-8 last week and in grades K-8 beginning Monday, September 11th. The grace and kindness that we bestow for our children and for each other is paramount to achieve our social and academic goals. Let us sustain a healthy school community and empower students to contribute to a safe and cooperative learning environment. In the spirit of the Buddha, Dhammapada... *"The thought manifests as the word; The word manifests as the deed; The deed develops into habit; And habit hardens into character. So watch the thought and its ways with care, And let it spring from love. Born out of concern for all beings... As the shadow follows the body; as we think, so we become"*.

Mahatma Gandhi reminds us... *"Our beliefs become our thoughts; Our thoughts become our words; Our words become our actions; Our actions become our habits; Our habits become our values; Our values become our destiny"*.

• A time to remember our men and women who serve in uniform, local and state fire fighters, police officers and law enforcement around the nation. We remember peoples of all backgrounds, American and International who lost their lives on September 11, 2001. We collectively remember and mourn the loss of life on that day and sustain a common hope for peace in our future!

• Dismissal Policy Appreciation:

Thank you to everyone for implementing our collective professional responsibilities outlined in the Tobin K-8 Dismissal Policies and Procedures Protocol <http://www.tobink8.org/handbook/d dismissalprocedures.pdf>.

The teamwork and ongoing communication between HR educators to transition walkers and bus students to designated spaces is important and necessary for effective transition from the school to our fleet of BPS busses and vans. We especially appreciate the tenacity and solution finding staff adjusting as needed during transition and at the point of entry to our busses. Communicating with school leadership, our bus drivers and bus monitors resulted in addressing challenges as they came up. Thank you as well to many staff who offered additional time (as available) to support supervision of students during the first few days of school. In accordance with our Dismissal Plan, at 4:00 P.M. The following announcement (or adaptation thereof) is read by school leadership:

- The academic day for students in grades K-8 has concluded.
- All walkers and bus students will transition to designated locations by class/team.
- All middle school educators will transition and supervise walker students from lockers quietly and safely across the bridge and down the stairs to exit doors near the cafeteria.
- All Team 1 (HR208, 209, 211) and Team 4 Middle School bus students must now report to room 104. • All students in after school programs should now report to the cafeteria. All Teachers in grades K-5 should now transfer their students to the appropriate walker and bus student classrooms for dismissal.

• Student Contact Verification Forms:

A number of staff requested printed copies. Others have printed their own. Please see Mr. Holly if/as needed for support with printing the forms by HR or you may choose to print directly to the Ricoh Printer in the main lobby.

The IP address is - 192.168.1919. As you know, the SCVFs provide advance access to parent/family contact information for educators who are making calls and reaching out to families. Please note the BPS Student Contact Verification forms are confidential between educators and student families only.

We remind all HR educators to review the Verification form as a class and confirm students take home to families for changes as needed e.g. Phone numbers, Additional contacts etc. Please make copies of all SCVFs returned and submit a set to Ms. Gomez and another set to Nurse Papadopoulos. **The first set of emergency card copies must be submitted by the end of the day Friday, September 15th, 2017.**
