BPS Essential for Instructional Equity Focus at the Tobin K-8:
Facilitate Cognitively Demanding Tasks & Instruction

Sub-Competency Focus:

3.5 Educators are able to design and facilitate learning experiences that require that students grow within the four domains of language (listening, speaking, reading, and writing)

Instructional Focus Statement SY 17-18:

To provide students with opportunities to engage with cognitively demanding tasks that require them to first use accountable talk to make sense of the tasks and then require them to write evidence based responses to what they are reading or to the math problems they are solving.

Instructional Focus Statement SY 18-19:

To provide students with cognitively demanding tasks that require them to write evidence based responses to what they are reading or to the math problems they are solving.
