

Supporting Remote Learning: The Center for Instructional Support is providing content-specific support to assist teachers, coaches and instructional leaders with implementation of remote learning building upon the Department’s [remote learning guidance](#) issued on 4/24/2020. We will focus on the prerequisite content standards and share best practices. These webinars will be recorded live and posted on our website for you to access as needed. Please find the schedule for the live webinars below:

Title/Content Area	Date & Time	Facilitator(s)
