Mid-Year Warning Notice, 6-8

Student: _____

Grade/Homeroom: _____

Dear Parent or Guardian,

This notice is to inform you that, based on data from the first half of the school year, Tobin educators are concerned about your child's record of academic progress in at least one subject area AND/OR school attendance. We have been working with your child throughout the year, and will continue to make our best efforts to support progress. However, we do want to make you aware of our concerns. Please see the information below and your child's report card for more information.

Your child is currently performing below grade level in the following subject areas:

- | | |
|---|---|
| <input type="checkbox"/> English Language Arts | <input type="checkbox"/> Mathematics |
| <input type="checkbox"/> Science | <input type="checkbox"/> Social Studies |
| <input type="checkbox"/> We DO NOT currently have concerns about your child's academic performance. | |

The following factors have contributed to your child's performance:

- | | |
|--|--|
| <input type="checkbox"/> Difficulty with basic skills | <input type="checkbox"/> Lack of effort or focus |
| <input type="checkbox"/> Performance on assignments or tests | <input type="checkbox"/> Attendance |

On attendance: as you know, Boston Public Schools are held accountable for student attendance. Students are expected to be in school each day. However, if a student has more than 3 absences per term, s/he is on a trajectory toward being considered "chronically absent" by the state. Learning time is lost when students are absent, no matter the reason; attendance is a crucial factor in determining how students perform in school.

We currently DO NOT have concerns about your child's attendance.

We currently DO have concerns about your child's attendance. S/he has missed _____ school days so far this year.

If your child's performance does not improve, s/he is at risk of one or more of the following:

- 1) S/he will receive one or more failing grades.
- 2) S/he will be required to attend summer school.
- 3) S/he will be retained in his/her current grade next year.

We remain committed to doing whatever we can to help your child improve. Please let us know if there is anything additional we can do to support her or his progress this year. In addition, feel free to reach out to the school to set up a meeting.

Phone: 617-635-8393

Sincerely,
Efrain Toledano, Principal
