MIDDLE SCHOOL

Dear Tobin K-8 Community,

Good morning. The mid-point of the school year is approaching and it is time for completing *Mid-Year Warning Notices*. The Mid-Year notice is available online in English and Spanish in the Tobin Handbook | Grade Team Tab. **The deadline for completing Mid-Year Warning Notices for middle school students is Friday, February 28, 2020.**

In accordance with the BPS Promotional Policy, students must fulfill several requirements to be promoted to the next grade. Teachers must complete a *Mid-Year Warning Notice* (attached) for students who do not meet *BPS Promotional Policy* requirements. Those requirements include: BPS Attendance, ASPEN Grade reports, and Performance on district and/or teacher generated assessments.

As with past practice, students will not be considered for retention and/or summer school without a *Mid-Year Warning Notice* on file. In addition, a record of communication is also required. Communication includes: phone calls, letters, progress reports, mid-term warning notices and other forms of communication.

Please let us know if you have any questions.

Thank you,

Efraín Toledano, Principal
